- With the department Chair's approval students may replace 0.5 of a unit of arts and science electives with a professional (business) elective.
- Students may request to replace an additional full unit of arts and science electives with a unit of professional (business) electives. Students seeking to replace the additional unit should speak to an academic advisor.
- The MSVU Academic Calendar states, “Although advice is readily available on request, the responsibility of selecting the appropriate courses for graduation rests ultimately with the student”.
- Students are strongly urged to seek academic advising each year to ensure that course selection is appropriate. Academic advising is critically important for students choosing to do an additional major, concentration, or minor.
- Students doing the co-operative education option will complete 23.0 units.
- BUSI 1112, Introduction to Business Administration, and BUSI 4400, Business Policy may count among the six units for the major.
- BUSI 3306/POLS 3306, and BUSI 4406/WOMS 4406 can count as business electives or arts and science electives or free electives.

***Students who pass a Mathematics Placement Test and obtain Chair’s approval can take Math 2500 and a free elective in place of Math 2208 and Math 2209**

Students doing the International Option may choose to do a major, concentration or minor in another area within the BBA
